

# Is your cast waterproof?

Use

## Afraid of getting your cast or bandaging wet?

**Seal Tight Sports®** waterproof cast/bandage protectors are designed for swimming activities, daily showering and bathing.

Made from TPE, this reusable material maintains a waterproof seal and is latex free, so it will not irritate the skin. With normal care **Seal Tight Sports®** cast/bandage protector lasts 3-4 weeks of daily usage.\*

\*Please note that the protector may be affected by chemicals and heat. If you are purchasing for a child please select the relevant paediatric size.
